

TECHNICAL SHEET

Département 69

Fleurie, Beaujolais, 2019

Variety/Varieties

Gamay

Grape Growers

Joseph Burrier

Vineyard Sites

Situated on the steep, high altitude slopes of the Poncié hamlet

Climate

Moderate Continental

Soil

Granitic Sand

Vine Management

Environmentally friendly viticulture

Serving Temp

12-15°C

Alcohol

14%

pH

3.8

Total Acidity

3.22 g/l, H2SO4

Cellaring Potential

3-5 years

Wine Making

The grapes are hand-picked and sorted. 50-70% are de-stemmed and undergo daily pigeage; the maceration lasts approximately 10 days followed by a 9 month ageing in top quality oak barrels and vat.

Palate

Silky but with enough grip to sit comfortably with a variety of foods. Long finish.

Colour/Appearance

Medium Ruby

Aroma/Bouquet

Delicate, elegant and floral with plenty of ripe berry fruits for company.

Food Pairing

Perfect on its own, or with cold cuts but, with enough weight to accompany grilled red meat.
